Sustainability in Action

Dear Resident,

Please note that Republic Services had an increase on their CPI (consumer price index) by 4.5%. This will affect the fees we are currently charging our residents.

Their increase became effective October 1st.

You are currently charged \$26.60 for one (1) toter or canister and \$39.14 for two (2).

New rates will now be \$27.80 for one (1) and \$40.91 for two (2).

This change will be reflected in your November 2025 utility billing.

We thank you for your patience and understanding.
