San Patricio County's COVID-19 Situation Report

San Patricio County Department of Public Health received notification of a **new positive COVID-19 case**. **This case involves a San Patricio County resident who was known to have had close contact with an existing positive COVID-19 individual.** This County resident is a male, between the ages of 45 and 50, in stable condition. He is in isolation since his symptoms do not require hospitalization. **This brings the County's case count to five.**

According to county health officials the immediate risk of transmission in San Patricio County remains minimal. Anyone found to have had close contact with this individual will be contacted directly by a staff member from the county department of public health.

For information, please contact Clara Rieder, Public Health Preparedness Manager, at EOC@co.san-patricio.tx.us; or Dr. James A. Mobley, MD, MPH, FAAFP.
